

**GREETINGS and WELCOME!**

Thank you for registering for **Spring Wild Edibles** with Wilderness Awareness School in Duvall, Washington. We are excited to meet you at Linne Doran, our 40-acre property.

This confirmation letter contains information that you will need to prepare for this program. **Please read it carefully.**

If you have any questions regarding your registration, please contact Wilderness Awareness School at (425) 788-1301 or [wasnet@wildernessawareness.org](mailto:wasnet@wildernessawareness.org); our office hours are 8:00-4:00, Monday through Friday.

Please see our website for detailed information about our cancelation and transfer policy.

We are looking forward to a fabulous day together exploring ways to unplug and recharge. Safe travels!

Sincerely,

Nate Summers  
School Year Program Director  
425-681-0874

## ~ Spring Wild Edibles ~

### **When:**

Saturday, April 28th, 9am-5pm, (with a short lunch break)

Sunday, April 29th, 9am-5pm (with a short lunch break)

**Please arrive by 8:30 and be prepared to start at 9am.**

### **Where:**

Linne Doran is located about fifteen minutes outside of Duvall, WA in the foothills of the Cascade Mountains. You can find a link to map and driving directions below.

### **What to Expect:**

We will be spending significant time outside regardless of the weather. We encourage you to be prepared for all types of weather and bring several layers so that you can be comfortable throughout the class.

In this class participants will start to develop a relationship with local plants especially by eating them! Students will learn about plant identification, how to ethically harvest, safe harvesting and how to avoid poisonous plants, how to create a wild lunch, how to process and store edible plants, and more. Class is taught by Lindsay Huettman - expert ethnobotanist and former full-time WAS instructor for both kids and adults.

As this program is about unplugging, we will ask people to turn off their devices and only use for emergencies.

### **Facilities:**

Our Linne Doran campus includes Cedar Lodge, our indoor classroom and meeting space, as well as several outdoor classrooms. There are also Port-o-Johns on the property. Linne Doran has limited cell reception and no internet access. To get the most out of your course, we recommend you plan on being out of communication during your course. For this class there will be limited access to bathrooms after the morning introduction.

Participants are welcome to camp on our property Saturday night. Accommodations are rustic: there is water available via spigot and Port-o-Johns for restroom needs. If you would like different accommodations (like a bed), please call us so that we can help you find what you need. There are some B & B type accommodations nearby, as well as a County Park for large RV set-ups. We *do not* have space for RV's or for campers that are larger than a pickup.

### **Food:**

Food is not provided for this course. Please bring a lunch and snack food for each day. Instruction will end by 5pm on Saturday, and for those choosing to camp at Linne Doran overnight, you may cook a meal on the property—please bring your own stove and cooking utensils (pots, pans, etc.), it is not possible to use the school kitchen for individual meal preparation or clean-up. There are also great restaurants in town, your instructors can give you their recommendations.

**How to Get There:**

There is no public transportation available to get to our Linne Doran campus. *We are unable to provide transportation for this course.*

You can find a map and directions on our website:

<https://wildernessawareness.org/resources/maps>

Here's our land address, if you are using a car/taxi service:

**20410 320th Ave NE,  
Duvall, WA 98019**

## **GEAR PACKING LIST**

Please bring the following items. This list is designed with your comfort and safety in mind, and takes into account the variable weather possibilities during summer in Western Washington.

- o 1-Liter water bottle
- o Notebook and pen/pencil
- o Mug for tea or coffee
- o Clothing that can be worn outside, get dirty, etc. *appropriate to the weather.*
- o Appropriate footwear (closed-toe preferred)
- o Lunch and snacks

\*\*Please note that all programs at our campus in Duvall have a combination of indoor and outdoor time. You will need clothing appropriate to the weather, clothing to be comfortable indoors, and ideally the ability to shift between the two with ease.
