~ Wild Women's Weekend – Fall Session~

When:

Saturday, Nov 3rd, 2018, 9am-5pm

Sunday, Nov 4th, 2018, 9am-5pm

Please arrive by 8:30 and be prepared to start at 9am.

Where:

Linne Doran is located about fifteen minutes outside of Duvall in the foothills of the Cascade Mountains. See information below about getting to our campus.

What to Expect:

Unless noted otherwise, we will be spending time outside regardless of the weather. We encourage you to be prepared for all types of weather and bring several layers so that you can be comfortable throughout the class.

This class will cover several different core practices of deep nature connection and nature skills. Topics covered will include primitive fire-making, basket weaving, wildlife tracking, plant medicine, safe and effective knife usage and more! Some of our top female lead instructors will be sharing their wisdom and passion with you. This is a safe space for participants to learn these fun and important skills.

As this program is about nature connection, we will ask people to turn off their devices and only use for emergencies.

Facilities/Camping

We have a variety of indoor and outdoor classrooms, as well as significant access to wilderness areas. Linne Doran has limited cell reception and no internet access. Please limit the use of cell phones during class.

Participants are welcome **to camp on our property Saturday night**. Accommodations are rustic: there is potable water, port-o-potties for restroom needs and firewood provided. If you would like different accommodations (like a bed), there are some B&B type accommodations nearby, as well as a County Park for large RV set-ups. We DO NOT have space for RV's or for campers that are larger than a pickup.

Food:

Food is not provided for this course. Please bring a lunch and snack food for each day. Instruction will end by 5pm on Saturday, and for those choosing to camp at Linne Doran, you may cook a meal on the property—please bring your own stove, cooking utensils (pots, pans, etc.), and refrigeration. It is not possible to use the school kitchen for individual meal preparation or clean-up. There are also great restaurants in town; your instructors can give you their recommendations.
